You are personally invited to attend our Corporate Soiree evenings and listen to the success stories of well-known Australian leaders ...

Corporate Soiree is an exciting opportunity for you to learn from their inspirational stories and discover the 'leadership edge' that can help you take the next step in your career.

Corporate Soiree is a tri-monthly leadership network for business professionals keen to learn from the personal experiences of business leaders.

Well-known leaders and facilitators in the Corporate arena provide 'inspirational' at the 2 hour evening sessions. This is followed by a Leadership Q&A, where you have the opportunity to ask questions that could help enhance your leadership effectiveness and corporate expertise.

It is a wonderful occasion for those keen to be part of an innovative and exciting social leadership community.

The next Corporate Soiree event will be held on November 30th November from 7.00-9.00pm.

Our first Corporate Soiree speaker will be Walter Bellin.

About Walter Bellin

Walter pioneered the development and teaching of a wide range of methods designed to maximise the professional and personal potential of individuals, teams and organisations. He created and developed the original character structure material upon which the Q12 Instrument is based.

Walter is an international consultant who regularly consults to the top senior management teams of public and private sector organisations in the areas of corporate development, leading organisational change (specialising in organisational cultural change), leadership development, team building, communication skills, strategic business planning and vision setting.

In addition to his work in Australia and the USA, Walter has consulted in seven different countries throughout Asia and Europe.
